Instructions for School or District Staff:

- Parental Approval is required to share any student eligibility information needed for local programs (such as fee waivers, backpack programs, etc.). The sharing of information section provides an opportunity for parents to provide that approval in the same form. All local programs that student level information is needed for must be listed in Section 3 **by the school or district**, so parents can opt into or out of them individually. Add more lines if necessary. Parental consent is not required for State reporting requirements, such as Title 1 or Parental Choice reporting.

- For schools not participating in the Community Eligibility Provision (CEP) or National School Lunch Program (NSLP) using the alternate household income form for WISE data reporting should report a student identified as economically disadvantaged on this form as "True" for Economically Disadvantaged Status and "Unknown" for Food Service Eligibility.
